## Crespo Seeks Nominations for District 44 Community Business of the Year Award

**HOFFMAN ESTATES** – State Rep. Fred Crespo (D-Hoffman Estates) announced today that he is requesting nominations for local businesses that are dedicated to improving their communities for the District 44 Community Business of the Year Award.

“I want to recognize the businesses that go above and beyond their service to help improve our community,” said Crespo. “Small businesses are the backbone of our local economy and help create a hospitable environment for residents and visitors.”

The award will be given to the business that displays the qualities of a good neighbor and demonstrates a commitment to improving their community. Deadline for submissions is November 30, 2011 and judging will be conducted by Rep. Crespo’s Economic Development Advisory Committee. Rep. Crespo will present the winner with an official House Resolution that he will introduce in January.

“I want to promote the strong rapport businesses have with their community to demonstrate their importance to developing the local economy,” said Crespo. “My hope is that this award will incentivize both residents and businesses to invest more in their local economy and work together to craft a profitable business environment and welcoming community.”

To request a nomination form or for more information, please contact Rep. Crespo’s constituent service office at (630) 372-3340.
